In addition, each member Association will be required to complete and send in the "GUIDE FORM". B. Admission to Membership

1. New applicants shall indicate the type of program they intend to offer. Youth Associations entering as clinic/"learn to skate" programs, or house/recreational/non travel programs shall not play games outside their own Association without the prior approval of their Section President. The Board of Directors may create classifications of membership to accomplish this purpose

2. Associations which have not been registered with NYSAHA during the annual year immediately preceding must make application through their respective Section President and be accepted for membership by majority vote of those members of the Section present at a duly constituted Section meeting and further have the action of the Section ratified by the Board of Directors.

3. New Youth, Girls, and High School Associations and their respective teams will not be eligible for Regional, Sectional or other play which leads to NYSAHA Championships for the first year (season) after acceptance by the Section and NYSAHA, unless approved by the NYSAHA Board of Directors.

4. Changes in program type will require the same approval process as a new application.

5. Adult and Senior Women's teams will register with NYSAHA in accordance with USA Hockey guidelines and procedures.

C. Challenge To Tier III Classification

The Tier III level for Associations was created to foster the development of new Associations and to provide a level for small Associations to compete. Over time some Associations will mature to the point where in the best interests of amateur hockey they shall move up to the Tier I or Tier II level. Failing that Association's voluntary request to move up in Tier status, either of the following two steps may be taken:

1. Any member of the NYSAHA Board of Directors may make a motion to the full NYSAHA Board of Directors to compel a Tier III Association to move from Tier III status to Tier I or Tier II status.
2. A minimum of five (5) Tier III Associations may make a joint motion to the full NYSAHA Board of Directors to compel a Tier III Association to move from Tier III status to Tier I or Tier II status.

With respect to the foregoing:

- i. The above motions must be received by the Secretary of NYSAHA no later than thirty five (35) days prior to the NYSAHA Annual Meeting; and
- ii. In order for the motion to pass, a two thirds (2/3) majority of all NYSAHA directors (not 2/3 of those present at the Annual Meeting) must vote in the affirmative at that Annual Meeting. The Board of Directors shall determine the Tier that the Association shall move to and the decision of the Board is final.
- iii. The affected Association may apply for reinstatement to the Tier III level at the Annual Meeting of it's Section two years hence.

D. New York District Team Registration

A team must register in the Section in which eighty percent (80%) or more of its players reside. If eighty percent (80%) of the players do not reside in a single Section, the team must register in the Section where it plays the highest percentage of its home games. The NYSAHA Board of Directors must approve any exception.

E. Right To Hold Tournaments

Any member of NYSAHA may hold a tournament provided it has applied for and received sanction from USA Hockey, Inc. and NYSAHA.

F. Screening

The following screening procedure governing adults age 18 and over, who have routine access to under age 18 participant members, shall be adhered to by all Associations. The following screening deadlines and procedures will be strictly enforced:

- a. All ~~screening~~ documents **The Association Screening Certification Form/Spreadsheet** must be submitted **to the NYSAHA Screening Committee** by November 1 of each playing season. **Complete instructions, policies and screening procedures are outlined on the NYSAHA website.**
- b. If screening documents are not submitted and postmarked by November 1, a fine of \$100 (or such higher amount as set forth below) shall be automatically imposed.
- c. If the (late) screening documents are not submitted and postmarked by December 1 of the playing season, from December 1 until the offending Association cures such noncompliance (the "Noncompliance Period"), the offending Association and all of its teams will not be permitted (i) to use any games played during the

Noncompliance Period to count towards satisfying tournament-bound eligibility requirements (such as the 20/10 or 14/10 game eligibility requirement), and (ii) to participate in Section Playdowns, Pre-Sectional, Sectional and State Tournaments. The Noncompliance Period will end upon the (late) screening documents being submitted as set forth above, but games played during the Noncompliance Period shall remain excluded from being counted towards tournament-bound eligibility.

- d. If the screening documents are not submitted and postmarked by January 2 of the playing season, at the next meeting thereafter of the NYSAHA Board of Directors a hearing will be held concerning any offending Association still not in compliance with its screening obligations hereunder, and such Association shall be afforded the opportunity to explain its noncompliance. Unless excused by the NYSAHA Board upon finding a compelling reason that caused such noncompliance, the offending Association shall lose its “Good Standing” status and Membership in both NYSAHA and USA Hockey. The loss of Good Standing and Membership will bar the Association and its teams from participating in any and all sanctioned NYSAHA and USA Hockey events, including all games and tournaments and all other on-ice activities, unless and until the status of the offending Association is restored as set forth below.
- e. When an Association loses its “Good Standing” status and Membership under this provision, the Association may reapply for its Membership in NYSAHA to be “restored” at the next immediate Spring Meeting of the appropriate Section. If Membership is restored at such next occurring Spring Meeting, such restoration may also include reinstating the Association’s pre-existing tournament-bound status at its pre-existing Tier level. The Association may also apply for membership at any other meeting of the appropriate Section pursuant to the ordinary rules of NYSAHA, but any such later obtaining of Membership shall not include restoration of the Association’s prior tournament-bound status.
- f. Fines for the late submission of screening documents will automatically be doubled if the offending Association had submitted screening documents late in the immediate prior season. The doubling of fines shall be double from the fine paid in the prior year by that offending Association. An Association that has not paid a fine related to noncompliance with screening by January 31 of the playing season, shall be subject to discipline by the NYSAHA Board, which discipline may include suspending that Association’s tournament-bound status for the following playing season or revocation of its “Good Standing” status and Membership under this provision.
- g. Appeals of the above screening rules shall be addressed directly by the NYSAHA Board of Directors. Such appeals may be

determined at a meeting of the Board of Directors or via conference call of the Board.

- h. Anyone screened under NYSAHA rules and who has been arrested and convicted of an offense involving alcohol, drugs or acts of violence, absent extraordinary circumstances that indicate it should be dealt with otherwise, will not be allowed to participate with under age 18 participant members, pursuant to NYSAHA screening rules in NYSAHA or USA Hockey. ~~for ten years from the date of conviction.~~ **From the date of conviction: (i) if convicted of a felony, 10 years; (ii) if convicted of a misdemeanor, 5 years; and (iii) if convicted of any offenses less than a misdemeanor, 2 years. This rule shall be applied retroactively, and shall be administered by the Board (or its appeals committee) on a case by case basis to terminate suspensions presently being served under the prior version of this rule.**
- i. **Officials are responsible for completing the required screening documentation in compliance with the NYSAHA Screening Guidelines. Confirmation forms are to be submitted to the section referee in chief prior to officiating. Officiating Screening Guidelines can be found at the NYSAHA Officiating Program Website (www.nyho.org).**

2. Upon receipt of the completed Participant Membership Application the forms will be forwarded to the District Registrar/Associate Registrar and then to the National Office of USA Hockey. The registering Association will receive a Rule Book, USA Hockey Guide Book, and NYSAHA Guide Book, for each fifteen (15) Participant Members registered, and the Association will be eligible to participate in the insurance programs provided by NYSAHA/USA Hockey.

Until the season ends (after respective tournament) no permission to move will be granted without extenuating circumstances. The request must be submitted to the respective Section Vice President who will MAKE THE DETERMINATION AND present it to the NYSAHA Board of Directors. Extenuating Circumstances shall include, but not be limited to the following:

- (i) The Association has signed a written release at any time during the season with respect to the player;

- (iii) The player has relocated to another region such that it would be impracticable, or unreasonable, to require the player to continue to play with the current Association;

For any reason other than (i) above, extenuating circumstances must include the player having satisfied all reasonable financial obligations to the Association. A release sought under extenuating circumstances ordinarily should not be granted after February 1 if the player was rostered on a tournament bound team during the current season.

It shall be evidence of recruitment, if after a player and Association have executed the commitment, the player is contacted by another Association officer, coach, or component person. Any written and signed complaint regarding recruitment and/or movement shall be directed to the respective Section President, who will investigate and make a full report to the NYSAHA Board of Directors, who will take actions as deemed necessary.

4. All member teams of a High School League must register through their League's registrar.

B. TOM KORPOLINSKI AWARD

Tom Korpolinski started his hockey career as countless others did. In 1966 his six (6) year old son said “I want to play hockey”, so he took him to a clinic in Virgil, Ontario where the Niagara Falls league was renting ice. There was only one coach on the ice for 50 to 60 little guys, some who could barely stand on skates. Although never having played organized hockey, Tom skated most of his life and did play a little pond hockey, so he asked this coach if he wanted some help. The next week he started with the youngsters and never looked back. Tom instantly became a coach, going through programs with the Ontario Minor Hockey Association and with USA hockey. He also did some refereeing and ultimately became a Director of the local association. When the city of Niagara Falls opened a rink in 1971, Tom became President of the local league and also helped form a travel league in the Western New York area along with Peter Rush and many others.

Later, he was elected as the West Section Vice President and then New York State Tournament Director. In 1981 he accepted the position of New York State District Registrar, a position held until he retired from hockey in 2000.

Tom Korpolski's hockey career spanned 33 years, a time he has always claimed to be the best years of his life where he was able meet countless volunteers, coaches, administrators, parents and players along the way.

In 2000, the New York State Amateur Hockey Association initiated the Tom Korpolski Award recognizing an individual who has served at the "grass roots" level within the District and exudes the qualities and level of commitment to the sport that Tom so humbly possessed.

C. BOB ALLEN SCHOLARSHIP

Each year at the Annual Meeting of the New York State Amateur Hockey Association, the Bob Allen Scholarship is awarded to four High School or Prep School Seniors going on to college. The scholarships are awarded based on the individuals' participation at school, with their community, and involvement in youth sports. Each Scholarship is for \$1000 and is given directly to the winners upon verification of enrollment at college.

In the year 2000, the New York State Amateur Hockey Association named their scholarship in honor of Bob Allen. Bob was president of the New York State Amateur Hockey Association for 25 years from 1954 to 1979. He was past secretary and vice president of USA Hockey (then AHAUS) and was bestowed with Director Emeritus status by both of these organizations. He was a charter member of the Lake Placid sports council and the Lake Placid Pee-Wee Hockey Association. Bob had a great passion for the sport of Ice Hockey and always "enjoyed the people in hockey as much as he enjoyed the game of hockey".

In 2004, the U.S. Women's National Team locker room was named in honor of Bob, paying tribute to the man who spent most of his life working for hockey at the regional and national level. The locker room

is located between the 1980 and U.S. rinks, and is reserved for use by the U.S. Women's National Team, which trains in Lake Placid.

In 2005, Bob was recognized for his 40 years of service to USA Hockey. Also in 2005, USA Hockey named the Women's Hockey Player of the Year award the "Bob Allen Women's Hockey Player of the Year Award". He was chairman of the gold medal winning U.S. Women's Olympic Ice Hockey Team in 1998, and is considered the "Godfather of US Women's Ice Hockey". Bob was also member of the Lake Placid Olympic Organizing Committee, chairman of Ice Hockey and planning and engineering committees for the 1980 Olympics.

D. PAUL FURMAN STATE TROPHY

Paul Furman's hockey career began approximately 40 years ago; on the day he took his son, Paul Jr., up to the Cullinan ice rink to register him in the Oswego Minor Hockey Association. He was asked "can you skate?" and he answered "yes, a little". He was then asked if he would help out on the ice. Paul told them "yes, but I don't know anything about hockey". He was then told, "don't worry, the kids will teach you" and over the years they did!

Since that day, Paul Furman, the husband, father and grandfather has been a dedicated, hard working member of the hockey community in New York. Over that time Paul gave unselfishly of his time and energies to not only the hockey community of Oswego, New York, but to the entire Hockey Community of New York State. From his early days as a coach, then through numerous administrative duties at the local and State levels he always stayed close to not only his local organization but to the hockey community as a whole. Paul has gone from the father who knew little about hockey to become one of the most highly respected members of the New York Hockey family.

For over 23 years Paul was responsible for the organization and supervision of thousands of tournaments in the New York District that take teams from local qualifying tournaments to States (USA Hockey Regional) and on to the National Tournaments. A full time year round commitment, at Tournament time you would find Paul on the phone or at the rinks checking to ensure that the events are run properly and that each and every individual has a fun enjoyable experience.

NYSAHA is privileged to honor Paul Furman with the State Championship Trophy to be awarded to the winner at each level.

B. YOUTH TIER REPRESENTATION IN STATE AND NATIONAL TOURNAMENTS

1. Youth Tier I (8 Team)

Proposed Sectional representation shall be as follows for State Tournaments:

	Squirt	PeeWee	Bantam	Mid-16	Mid-18
Central	1	1	1	1	1
East	2	2	2	2	2
North	1	1	1	1	1

Proposed Sectional representation shall be as follows for State Tournaments:

	Squirt	PeeWee	Bantam	Mid-16	Mid-18
Central	2	2	2	2	2
East	2	2	2	2	2
North	2	2	2	2	2
West	2	2	2	2	2

*The host Association will fill the at-large berth if it does not otherwise qualify in the Tier I Center Tournament. In the Tier II Tournament, if the host team does not otherwise qualify in their Section as the #1 or #2 team, they will enter the tournament as the host team, and the tournament will become a nine (9) team tournament.

3. Youth Tournament Seeding

Girls State Tournaments shall be decided by the NYSAHA Tournament Director and the Section Presidents after team registration figures are finalized. In Youth Tier I State Tournaments, the host Association's team will fill the last open seed if it does not otherwise qualify for the State Tournaments. In the Tier II and Tier III Tournaments, if the host team does not otherwise qualify in their section as the #1 or #2 team, they will enter the Tournament as the host Association's team, and the Tournament would become a nine (9) team Tournament. However, if one or more of the four Sections does not register a minimum of four teams in a specific age group, then the Section could/would lose a seed in the Tournament and that seed would be given to the host Association's team so the Tournament could remain an eight team Tournament.

4. Obligation Of State Champion To Compete

The State Champion, when applicable, will represent NYSAHA in the USA Hockey National Tournament.

~~G. GIRLS REPRESENTATION IN STATE AND NATIONAL TOURNAMENTS~~

~~A State Tournament will be offered for Tier II if a minimum of four (4) teams exist at that level, with representation from at least two (2) Sections of the State. Only Tier I State Champions at each level will represent NYSAHA in the USA Hockey National Tournament.~~

C. PAIRINGS AND SCHEDULES FOR STATE TOURNAMENTS

6. Section Competition For Entrants Into State Tournaments
Each section shall employ either a playdown or a Sectional Tournament to determine the participants and seeding of said participants from the section for the respective State Tournament. These playdowns or Sectional Tournaments are to end no less than two weekends, twelve (12) days prior to the State Tournament, with the exception of High School, which will be no less than one (1) weekend prior to the State Tournament.
7. A copy of each team's playing roster shall be available from the Credentials Committee upon request from any of the participating teams. A full fifteen (15) minute mini-game, (and not sudden death), shall be played right after the second game if the two teams are tied in points. If there is no winner of the mini-game, a shoot-out, as outlined in the NYSAHA Guide Book, shall take place to determine the winner. Neutral on-ice officials, assigned by the Section Referee Supervisor, are to be used for these games.

(b) A complete credentials check done either jointly or by a neutral party must be done before the start of the first game. Note: A Discipline Committee (consisting of three members) must be set up before the first game, and all matters requiring a Discipline Committee hearing must be held at the conclusion of the game in which the infraction occurred. The two game home and home series in this paragraph may be replaced by a single game if the two Associations involved agree to a single game determination, including the time and place where such single game will be played, and if the Section President approves of the single game as being fair and unbiased to both teams.

11. Method of Determining Champion

For all State tournaments, standard Round Robin play will be used. The standings shall be determined on the basis of two (2) points for a win and one (1) point for a tie.

12. Time of Periods For State Hockey Tournaments

18. Coaches' Communication: For games leading up to and including State tournament games, the use of head phones or other similar devices to communicate to people on the players bench is prohibited unless the conferees are both carded coaches and are listed on the USA Hockey Player Roster Form.

19. The NYSAHA Tournament Director and, by his delegation, the Tournament Chairperson, shall have the authority to exclude and/or limit the presence at or the use of any artificial noise-making devices, except for those required to control the play of the game.

20. Tie Breaking Rules to Determine Standings Position For All Youth, Girls/Women, and High School Club Pre-Sectional, Sectional and State Tournaments.

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking format. If one tie-breaker establishes a position for one or more of the teams, each team is placed in the applicable position. Once a team is placed, the remaining teams shall start the tie-breaking

process over again starting at step 1. a. If all teams tied have not played head to head against each other then go to B.

The tie-breaker formulas are follows:

- A. The results of the games played head to head between the teams tied in the following order.
1. Standings-Most points.
 2. Most wins.
 3. Differential-Subtracting goals scored against from goals scored in these games, the positions being determined in the order of the greatest surplus. For Girls/Women's games only, the maximum goal differential is 8 goals.
 4. Quotient-Dividing the goals scored in these games by the goals scored against, the position being determined in the order of the greatest quotient. A quotient involving dividing by zero (0) has a higher standing than a quotient from dividing by any other number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the team shall be ranked high to low in descending order of "goals for".
 5. Most periods won- In games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Position shall be in the order of highest point total.
 6. Quickest first goal-The team that scored the quickest goal in their applicable preliminary round games shall be ranked highest.
- B. If after applying the formulas of A 1, 2, 3, 4, 5, or 6 the tie still exists, the results of all the games played by the teams tied in the following order:
- a. Most wins.
 - b. Differential-Subtracting goals scored against from goals scored in these games, the positions being determined in the order of the greatest surplus.
 - c. Quotient-Dividing the goals scored in these games by the goals scored against, the position being determined in the order of the greatest quotient. A quotient involving dividing by zero (0) has a higher standing than a quotient from dividing by any other number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the team shall be ranked high to low in descending order of "goals for".
 - d. Most periods won- In games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Position shall be in the order of highest point total.

- e. Quickest first goal-The team that scored the quickest goal in their applicable preliminary round games shall be ranked highest.

Note: The shootout procedures will be used to break a tie after #1 and #2 have been exhausted and a tie still exists to determine who will advance to the Semi-Final games or to the Championship game. No overtime periods shall be played in the regular Round Robin games. Overtime will only be played, if needed, in the Semi-Final and/or Championship games.

C. Semi-Final: If a game is tied following regulation play in the Semi-Final games, one 5 minute sudden death overtime period shall be played. At the completion of the third period, the tied teams shall receive a three (3) minutes rest period. The teams will remain on the ice. The teams will not change ends. If the score is tied at the end of the 5 minute sudden death overtime period, there shall be a shoot-out. The winner of the shoot out will be credited with one additional goal in the final score.

D. Shoot-Out: When the overtime period is over and no one has scored a goal, the shoot-out procedure shall take place and shall be conducted as follows:

A shoot out is defined as a player attempting to score a goal and the opposing goalkeeper attempting to stop the shooter from scoring a goal.

The referee shall call the two captains to the referee's crease to flip a coin to determine which team takes the first shot. The winner of the coin toss will have the choice whether his/her team will shoot first or second. (The Captain of the team who traveled to farthest to the tournament site will call the coin toss).

All goalkeepers and players from both teams listed on the official game sheet shall be eligible to participate in the shoot-out.

However, any player whose penalty had not been completed when the overtime period ended or who receives a penalty during the shoot-out procedures is not eligible to be one of the players selected to participate in any portion of the shoot out procedure(s).

The shoot-out procedure shall begin with five different individual shooters from each team taking alternate shots. The players do not need to be named beforehand.

The goalkeepers from each team may be changed after each shot.

The players of both teams will take the shots alternately until a decisive goal is scored. The remaining shots will not be taken.

If after the shoot-out, the shoot-out score is still tied, there will be a sudden death shoot-out.

Sudden Death Shoot-Out:

The sudden death shoot-out will be conducted as follows:

A sudden death shoot-out is defined as each team attempting a shot. Should one team be successful and the other team not, the successful team shall win the shoot-out.

Teams will select their shooters to participate in sudden death shoot-out, whether or not they shot in the previous round.

All goalkeepers and players from both teams listed on the official game sheet shall be eligible to participate in the shoot-out.

However, any player whose penalty had not been completed when the overtime period ended or who receives a penalty during the shoot-out procedure is not eligible to be one of the players selected to participate in any portion of the shoot out procedure(s).

Players in a sudden death shoot-out shall not be allowed to take another shot until four additional shooters have completed their attempts.

The goalkeepers from each team may be changed after each shot.

The official scorekeeper shall record all shots taken indicating the players, goalkeepers and goals scored.

E. Championship game: If a game is tied following regulation play in the Championship game, sudden death overtime period(s) shall be played until a Champion has been determined. At the completion of the third period, the tied teams shall receive a three (3) minute rest period. The teams will remain on the ice and will not change ends. The time of the overtime period will coincide with the chart set out in Section 11B, paragraph 11 of this Guide. Squirt – 6 minutes, Pee Wee, Bantam, Midget and High School Club – 10 minutes. The ice will be resurfaced after every 2 overtime periods.

Examples of the Tie-Breaking Rules

To start a tie-Breaking process the teams tied must have the same number of points earned in the regular Round Robin games.

Example #1:

This example has three teams tied, with four points each, by winning two of their three games played in the Round Robin portion of the tournament.

Team A, Team B and Team C are involved in this three-way tie.

Each of the three teams had a total of four points acquired in their preliminary games.

Each team had two wins in their preliminary games.

Each of the three teams lost a game to one of the other teams, involved in the three-way tie, in their preliminary games.

Each team beat Team D in their preliminary games and each received two (2) points each for doing so.

1. **a. and b.** Each team had 2 points and one win in these games played Head to Head.

Team (A) beat Team (B) 7 to 4 thus earning 2 points for the win. 2 points
Team (A) lost to Team (C) 2 to 3 thus earning zero points for the loss. 0 points **2 pts total**

Team (B) beat Team (C) 3 to 1 thus earning 2 points for the win. 2 points
Team (B) lost to Team (A) 7 to 4 thus earning zero points for the loss. 0 points **2 pts total**

Team (C) beat team (A) 3 to 2 thus earning 2 points for the win. 2 points
Team (C) lost to Team (B) 1 to 3 thus earning zero points for the loss. 0 points **2 pts total**

c. Differential-Subtracting goals scored against from goals scored in the above games.

<u>Goals for / Against:</u>			<u>Goals for/ Against:</u>			<u>Goals for /Against:</u>		
Team (A)-(B)	7	4	Team (B)-(A)	4	7	Team (C)-(A)	3	2
Team (A)-(C)	2	3	Team (B)-(C)	3	1	Team (C)-(B)	1	3
TOTALS: (A)	9	7	(B)	7	8	(C)	4	5

Team (A) has plus 9 goals and minus 7 goals to equal plus 2 goals for Team (A).
Team (B) has plus 7 goals and minus 8 goals to equal minus 1 goal for Team (B).
Team (C) has plus 4 goals and minus 5 goals to equal minus 1 goal for Team (C).

Team (A) with the plus two (2) goals is in first place after this step and is the winner of the Division. Because Teams (B) and (C) both have a minus one (1) goal differential you have to go back to Step 1 and start the process all over again but only between Team (B) and team (C) and only using the game played between teams (B) and (C).
In this example **team (B) would be placed second** because they earned two (2) Points in their Head to Head game against Team (C). Team (C) would finish third and Team (D) would finish fourth.

Note: The scores of the games played against Team D **would not come** into the equations until you have exhausted all of the items in Step 1. If still tied after that you would go to step 2. and start the process over again using all of the game the teams played in the Round Robin.

Example #2:

Two teams, (A) and (D), are tied with four points each after the Round Robin games. To break the tie you only use the one game the teams played **Head to Head** to break the tie.

In this example, the game the teams played Head to Head ended in a one to one tie.

Step 1.

- Most Points-They both earned one point in the game because it ended in a tie.
- Most wins -Zero for each team.
- Differential-They both scored one goal so the neither team had a surplus or a minus.
- Quotient-Dividing goals scored into goals against. They both come out at zero (0).
- Most periods won-They earned three (3) points each because they both scored their only goal in the third period so they earned one point for each of the three periods.
- Quickest first goal in the game. Team (A) scored at 10:10 of the third period. Team (D) scored at 5:15 of the third period. Therefore Team (A) is the winner of the tiebreaker because they scored first. (In this example the actual time on the clock was used, like it is supposed to be, under the new system of recording the time of goals for all tournament games).

Note: Had their game ended up in a zero (0) to zero (0) tie, using the same scenario as above and after going through all of the steps in Step 1., then they would have started the process all over again only this time they would use all of the games both teams played.

22. Home Team For Championship Game

The on-site Tournament Chairperson shall flip a coin to determine the home team for the championship game. The coach from the team that has traveled the farthest distance to the tournament site shall call the flip. The winner of the flip is the home team.

23. Daylight Savings Time:

On the Sunday that Daylight Savings time starts all games, both in the morning and in the afternoon/evening, shall automatically be scheduled to start ONE HOUR LATER than the times listed in the Guide Book.

24. Combination Schedule for Midget Tier I 16 & Under and 18 & Under State tournaments.

In order to schedule and play a full eight teams schedule at the Tier I Midget 16U and/or 18U classification at least two of the four Sections in the State must have at least four teams registered and another Section of the State must have at least one team registered in that classification.

Otherwise the two Classification will be combined into one eight teams, with two separate Divisions, schedule and made up of four teams at the 16U level and four teams at the 18U level.

If the Host Association qualifies a team to play in either of the tournament Divisions it will not get a "Host Team" seed in the other tournament Division. The Host Association will only receive a "Host Team" seed, in one of the tournaments Divisions, if both of the Host's teams fail to qualify for either tournament. When that happens the Host Association shall chose what team it will be and it shall be seeded as team "A" in the tournament Division it chose to play in.

EXAMPLE FOR GIRLS & WOMEN ONLY

Team A2	Team B1	Team A + 2 points	Team C2	Team A5	Team C + 0 points
Team A5	Team C2	Team A + 2 points	Team C4	Team B2	Team C + 2 points
Team A3	Team D7	Team A + 0 points	Team C5	Team D3	Team C + 2 points
		Team A + 4 points			Team C + 4 points

Team B1	Team A2	Team B + 0 points	Team D7	Team A3	Team D + 2 points
Team B2	Team C4	Team B + 0 points	Team D3	Team B2	Team D + 2 points
Team B2	Team D3	Team B + 0 points	Team D3	Team C5	Team D + 0 points
		Team B + 0 points			Team D + 4 points

These teams are tied with four points each after the round robin. They are A, C, + D. Note: Use only the games played head to head by the teams tied for 1.a, 1.b & 1.c.

1.a	A vs C	A + 2 points	C vs A	C + 0 points	D vs A	D + 2 points
	A vs D	A + 0 points	C vs D	C + 2 points	D vs C	D + 0 points
		A + 2 points		C + 2 points		D + 2 points

1.b	A5	C2	C2	A5	D7	A3
	A3	D7	C5	D3	D3	C5
	8 for 9 against -1		7 for 8 against -1		10 for 8 against + 2	

Teams A & C are still tied at minus 1 goal each, therefore ALL three teams continue to 1.c.

1.c	Team A divide goals scored for (8) by goals scored against (9). 8 / 9
	Team C divide goals scored for (7) by goals scored against (8). 7 / 8
	Team D divide goals scored for (10) by goals scored against (8). 10 / 8

The tie has been broken simultaneously for all three teams tied and the order of finish is:

1 st Place – Team D	1.250 quotient
2 nd Place – Team A	.888 quotient
3 rd Place – Team C	.875 quotient

PHYSICAL ABUSE POLICY

It is the policy of New York State Amateur Hockey Association (NYSAHA) that there shall be no physical abuse of any participant involved in any of its sanctioned programs, its training camps, hockey clinics, coaches clinics, referee clinics, Regional and National Tournaments or other NYSAHA events by an employee, volunteer or independent contractor. Physical abuse means physical contact with a participant that intentionally causes the participant to sustain bodily harm or personal injury. Physical abuse also includes physical contact with a participant that intentionally creates a threat of immediate bodily harm or personal injury.

Physical abuse does not include physical contact that is reasonably designed to coach, teach or demonstrate a hockey skill. Permitted physical conduct may include, but is not necessarily limited to, shooting pucks at a goaltender, demonstrating checking and other hockey skills, and communicating with or directing participants, during the course of a game or practice, by touching them in a non-threatening, non-sexual manner.

NO HAZING POLICY

It is the policy of USA Hockey and New York State Amateur Hockey Association, Inc. that there shall be no hazing of any participant involved in any sanctioned program, training camp, hockey clinic, coaching clinic, referee clinic, regional and national tournament or associated events conducted by their employees, volunteers, participants or independent contractors.

Hazing is defined as conduct that is insulting, intimidating, humiliating, offensive, or physically harmful, and includes the activity known as "locker boxing" or "helmet and gloves" that is popular with children and young adults and often produces head trauma and serious injury.

Any player, team official, executive member of a team, club or association having been party to or having had knowledge of hazing, without reporting it to the respective Section President or taking clear affirmative action to assure that it is not repeated, shall be subject to suspension from playing or holding office with any team, club or association affiliated with USA Hockey and New York State Amateur Hockey Association, Inc.

CONSUMPTION/USE/ABUSE OF MOOD ALTERING SUBSTANCES POLICY

It is the considered judgment of the Board of Directors of NYSAHA that consumption/use/abuse of mood altering substances is detrimental to a healthy state of mind, body, and spirit in an athletic participant. This is especially true for those participants aspiring to develop their talents in the furtherance of their playing, or coaching, or officiating careers in the sport of ice hockey. Therefore, with the best interests of its participants in mind, NYSAHA prohibit use by any participant of mood altering substances during active participation in its programs, and, upon discovery of any violation, shall take action to remove the participant from participation in its programs for a reasonable period of time. Further, NYSAHA hereby recommend that each and all of its teams, associations, programs and affiliates adopt reasonable regulations concerning the prohibition of consumption/use/abuse of mood altering substances, and a reasonable enforcement procedure thereafter, in order to maintain the health of our athlete participants, the integrity of our programs, and the eligibility of all of our competitors for national, international, and collegiate competition. For purposes of this policy, the words "mood altering substances" shall include the following:

- 1. Intoxicating beverages, including, but not limited to, alcohol.**
- 2. Non-prescription or prescribed controlled substances.**
- 3. Prescription or prescribed controlled substances when used to an excess in violation of doctors orders, or to produce the state of intoxication in the participant. Further, a participant shall include players, coaches, referees, and all persons involved in the conduct of an ice or inline hockey contest.**
